THE PROGRAM

- The Youth Music Program provides lessons in singing, drums and guitar, and instruction in how to practice, how to audition and in etiquette for performance – plus snacks and supervised play.
- Instructors meet with students in small groups and use an individualized approach.
- Our goal is to help school-age children, particularly middle school-age children, achieve cultural arts goals and supplement what is available in school or at home - to help them build life and music skills through after school music instruction in a safe nurturing environment.
- **The Youth Music Program** is open to young people (ages 4-17) from the community at large, regardless of their religious background, and does not include religious content.

Make checks payable to: *St. Paul's on the Hill.*

Please do not send cash. If you wish to pay with cash, please do so at the first session your child attends.

Parents,

Although we give the children a break and the opportunity to move around, you should only enroll a very young child if they have some successful experience in a school setting and the ability to sit and pay attention to lessons.

If you have not filled out a Registration Form, you must do so the first day your child attends. Thank you.
